Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance: The prior art of record, taken alone or in combination, fail to teach or fairly suggest, in conjunction with other limitations in the claims, the method of using a portable handheld device (i.e. phone) for transmitting a customer financial account number stored in the device memory to request an amount of cash from a transaction system. Furthermore, the prior art of record fails to teach wherein the portable handheld device sends a cash dispense request that includes image data corresponding to the identifier of a particular ATM.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
